**SUB: Proposal to conduct training on Innovational thinking & Problem Solving for B.Pharmacy I YEAR -Reg**

Respected Sir

The Department of Training and placement is planning to organize training on Innovational thinking & Problem Solving B.Pharmacy I YEAR for A.Y 2017-2018. The course helps students to develop Innovational thinking & Problem Solving, and Soft skills which enable them to solve problems with various approaches and face the interviews for their employability.

The course will be conducted by the expert trainers from training partner, Sten Corniche Education Services and the course contains both theory and practical classes.

Thanking You

### Report of the Event

Name of the Activity	Soft skills development Program	
Type of Activity	Innovational thinking & Problem Solving	
Date and Time of Activity	06-10-2017	01:30pm to 04:00pm
Details of Participants	60	
Organizing Dept./Support System	B.PHARMACY I YEAR	
In collaboration with	Sten Corniche Education Services	
Description	<p>A Soft skills development program was organized by the Princeton College of Pharmacy from 6<sup>th</sup> to 7<sup>th</sup> October 2017. The Resource person of the day was from Sten Corniche Education Services. The speaker for training program was warmly welcomed to the session on behalf of Princeton College of Pharmacy, Chairman, Principal, Head of the Department and students. Dr. S.P.Rao Chairman of PCOP welcomed everyone who attended the session. Our respected principal had addressed the gathering. Coordinator of the event gave an introduction about the resource person and his achievements.</p> <p>The training program is an initiative to impart soft skills which will help students to clear recruitment entrance exams.</p> <p>On the first day, the session was started with a saraswathi prayer song; the resource person took over the session and delivered a lecture on Innovational thinking &amp; Problem Solving skills. He further gave various working place examples. The training session continued on the second day with the topic communication skills where strategies to develop communication were presented thereby ensuring good communication skills among students.</p>

	<p>The Innovational thinking &amp; Problem Solving skills of the student have been the major target area.</p> <p>The students were elated with the innovative suggestions and ideas that were discussed in the training by guest speaker. He further threw light on the fact that all the students should now be prepared to ensure good Innovational thinking &amp; Problem Solving skills for students. The session went on to be more informative as he continued to talk about the need of leadership and soft skills for employability. Participation in a sudden jam session, group discussions, debates and other activities which helps broaden the horizons for student interaction and development.</p> <p>The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and he appreciated the commendable efforts taken by the college for initiating such a knowledgeable and informative session. Finally, coordinator of the training program expressed her gratitude towards the Management of the college for their constant support and encouragement to attend such enriching sessions. The training program was well received and informative he further thanked them for their exemplary efforts in providing such platforms to the students and helps them reach great heights of success.</p>
